### **Staff Reports**

Animal Control Collin Jones reported he received a written complaint concerning a dog attack.

Code Enforcement Harry Colburn found the house at 1001 Blunt Street to be an unsafe building and nuisance yard and buildings.

The crew was supposed to start cleaning up properties at 900, 906, 908 Osborne Street. However, the occupants have been doing a lot of cleaning up so we will give them some time to clean up. Code enforcement had a dumpster placed for them to use for clean-up.

City Attorney Bruce Berkley put a resolution in front of the council concerning the 1001 Blunt Street property. This will start the abatement process. Joyce moved, John C. seconded, to pass Resolution 2025-07 for nuisance abatement for 1001 Blunt Street. Motion carried with 5 ayes.

City Superintendent Brady Pound reported there have been a couple water main leaks that were fixed. The sewer manhole was re-lined in the alley between the 700 block of Division and Blunt streets. Pound also mentioned that Creighton started officially today.

City Clerk Miranda Robinson reported the funding for the cemetery roads needs to be changed. The cd's are endowment funds and cannot be spent, only the interest from those cd's can be spent. We can use cemetery care cash and general cemetery funds. There is an issue with the payroll. For reporting to match, the next payroll needs to wait a week to get our last paycheck of the year in order to keep the reports in check.

The Fire Department requested reimbursement for 2025 meetings, training and calls along with insurance costs of 15%. Joyce moved, Heather seconded, to reimburse the fire department for 15% of the insurance costs in the amount of \$564.14; and for meetings, training, and calls in the amount of \$1,770, for a total of \$2,334.14 Motion carried with 5 ayes.
